

BDNA E-NEWS JULY edition

Welcome back

To another season of netball, last seasons finals were really exciting with many teams having draws and extra time. We are looking forward to this season being similar.

Spring 2010 FIXTURES

Are now uploaded onto Web Site. You will all get a paper copy on your first match back. Please don't all ring me about fixtures as I am away now. The grading committee did fixtures and can be talked to when we return if probs.

Foundation Coaches Courses

BDNA ran 3 off these for club and team coaches during June with great success, over 60 participants fantastic. A big thank you to Heather Crosling for coordinating this.

"Congratulations"

To Olivia Gigli and Alysha DeLazzrari for being selected into the Northern Central Public Schools Zone State Team. Well done ladies. BDNA must be doing something right as we have had so many girls selected for various teams.
