### **Foundation Coaches Courses**

BDNA will be running a two Foundation Coaches Course, one on the 30th May and one on the 27th June, expressions of interest for these courses are now being taken. Please contact your club or team if you are interested in attending and they will then advise us. Please note that ALL coaches that are currently coaching need to be accredited.

### **"Blaze" Home Game**

Our VNL club the North East Blaze, will be having their 2nd Home Game on Sunday 16th May at the Banyule Stadium, tickets are on sale NOW at the stadium, so come along and support our VNL club.—1st match at 3pm

### **Rep Fundraising—"Walk a Thon"**

The Lap-A-Thon on March 28th was enjoyed by those who attended. All the players enjoyed the fun games which involved mixing players into teams from all age groups. The younger children enjoyed working with the Open's and all players encouraged each other, with lots of laughing and cheering. The winning team who won 5 out of the 6 games each received a confectionary pack.

We then commenced the Lap-A-Thon with all participants getting off to an eager start, we were impressed by the efforts of the Under 11 & 13 players who paced themselves and ran the whole 30 minutes. All players are commended for their efforts and commitment to do their best to raise the money themselves for their fees.

We would like to thank Natalie and Greg for their assistance with this fundraiser. They organised and ran the team games, officiated the Lap-A-Thon and encouraged all players to do their best.

The player who rang the most laps in each age group was awarded a \$50.00 voucher, proudly supplied by Athlete's foot -

Under 11 - Lauren Henderson = 9 laps

Under 13 - Adam Payne = 13 laps
